NEW BEGINNINGS

A collaborative program
of churches, businesses,
and individuals that pro-
vides back to school
clothes for children in
need in Naugatuck.

*"He who has two coats,
let him share with he who has none."
Luke 3:11*

Every now and then we are given the opportunity to fulfill the reason God put us together in His family. We are not here for our own gain but for what we can do for each other. We are here to make the way a little easier for others. We are here to “...love one another deeply from the heart”. 1 Peter 1:22

In September when children begin the new school year, parents have the task of creating a new wardrobe for each of their children.

Wanting to reach out to our community in a different way, *New Beginnings* was born. Maybe, we thought, we could offer the children and parents who are in need in our communities a New Beginning as they enter into another school year.

And it seems to work! The effect that this program has had on parents, children, shoppers and coordinators has left many an eye filled with tears and many faces covered with smiles. The thank-you notes that we have received from children and parents are filled with the grace and love that comes from deep in one's heart and soul.

Each child is given:

3 shirts

2 pairs of pants

1 jacket

1 package of underwear

1 package of socks

1 \$25.00 gift certificate

(toward the purchase of a pair of shoes)

Working closely with Naugatuck School Nurses, children are selected to participate in *New Beginnings* on the basis of need. The clothing is collected from the participating congregations, boxed and delivered to Calvary Chapel Naugatuck mid August. **Privacy and confidentiality are strictly maintained.**

New Beginnings is a program that allows for flexibility on almost all levels. Anyone is welcome to donate financially, volunteer, or sponsor multiple children. There is definitely a way for you to partner in this great opportunity!

Coordinators from participating congregations are supplied with the ages, sizes and preferences of each child. At this point donations are made and “shoppers” then go out and select all of the articles of clothing.

These are the basics of *New Beginnings*.
